Bollard-Globe Style LED Lamp

Emium B-G style 25W LED lamps are ideal lighting solutions for commercial bollard, post top, low bay and other similar retrofit applications.

The 25 watt LED light output of 3,625 lumens will quite sufficiently replace a 100W MH or 200W incandescent lamp, while reducing energy consumption by 75% or more.

Lamp is equipped with special heat-dissipation design for higher energy efficiency and longer lifespan.

An optional lamp extender is available for use in larger fixtures.

Ambient Temperature:

Suitable for use in -15°F to 113°F ambient temperatures.

Thermal Management:

Independently developed heat sink, cast aluminum heat dissipation.

Housing:

One-piece, die-formed aluminum housing and PC material shell, sealed by silicone ring.

Lens:

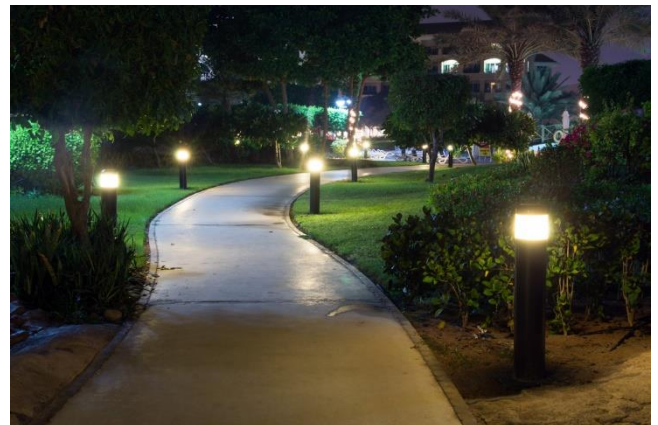

Polycarbonate lens material

Finish:

Environmentally friendly polyester powder coatings are formulated for high-durability and long-lasting color, and contains no VOC or toxic heavy metals.

Green Technology:

Mercury and UV free. RoHS compliant components.

50,000 hours rated life

SPECIFICATIONS

Model	EL-TL-BG-25W
Lumens/Watt	145 lm/w
Power Consumption	25W
Lumen Output	3,625 lumens
Input Voltage	120-277VAC
Beam Angle	360°
Color Temperatures	Warm White 3000K Natural White 4000K Daylight White 5000K
CRI	>80
Base Type	E26 medium or E39 mogul
Dimmable	No
Operating Temperature	-15°F to 113°F
Life Rating	>50,000hrs
