

There is a Better Way

LED Canopy

Adjustable Series

WHY UPGRADE WITH EMIUM'S SQUARE CANOPIES?

Emium's square canopy fixtures are a top-of-the-line lighting solution that is specifically designed for commercial use. These fixtures use high powered LEDs that come with efficient optical control to deliver bright and high-quality lighting.

One of the standout features of these fixtures is their energy-efficient LED system, which helps to reduce energy consumption and lower operating costs. Additionally, the fixtures are built with a rugged design that ensures long-lasting durability, even in harsh outdoor environments.

FEATURES

- Reduces energy consumption and operating costs by 80% or more.
- Maintenance free operation - lasts up to 20 times longer than conventional lighting
- IP65 Rating
- Estimated 50,000 hour LED lifespan.
- No UV, IR, or RF interference
- Environmentally friendly - fully recyclable
- No mercury or other hazardous material
- UL cUL wet location listed
- 5 Year limited warranty
- Lumen output from 3,700 to 16,500 Lumens

Recommended Use:

- Grocery Stores
- Parking Structures
- Walkways
