INTERIOR LIGHTING

LED Linear Wrap Light Fixture

5 Year Full Product Warranty
50,000 hrs. L70 rated life

FEATURES

The Emium LED Wrap Light is an ideal replacement for similar fluorescent light fixtures.

The Wrap Light offers exceptional illumination and is perfect for a variety of settings such as high traffic corridors, commercial and industrial task stations, hospitals, studios, classrooms, parking garages, and similar environments where visual clarity and safety is crucial.

Emium carries a complete line of products to meet all types of commercial needs. Our products are engineered to install very simply and make the transition from HID or fluorescent lighting to LED technology very cost-effective.

- Suitable for ceiling mount or suspended mount
- Ideal for harsh environment applications
- 0-10V Dimmable Driver
- Highly efficient diffuser lens design
- Minimize labor and recycling costs
- Excellent light distribution and uniformity

- Beautiful Light
- Energy Efficient
- Long Life
- Maintenance Free LED
