

There is a Better Way

LED Downlight

Standard Series

WHY UPGRADE WITH EMIUM'S INTERIOR DOWNLIGHTS?

Designed and built for commercial use to facilitate a smooth, cost effective transition into the cutting-edge performance and quality of LED lighting.

Emium LED downlights provide a clean and modern look with a baffled trim for recessed applications.

Fixtures are equipped for use in new construction, remodels, or for easily retrofitting older lighting technology.

Available in a variety of sizes, lumen output levels, and colors to suit any application. Wide beam angle insures uniform illumination.

FEATURES

- Reduce energy consumption and operating costs by 80% or more
- Maintenance free operation - lasts up to 10 to 20 times longer than conventional lighting
- Cool beam - No UV or IR, reduces air conditioning
- Environmentally friendly - fully recyclable, no mercury or other hazardous material
- Estimated 50,000 hour LED Lifespan

Recommended Use:

- Commercial buildings
- Hotels
- Offices
- Retail Stores
- Plazas
