LED Exit Signs & Emergency Lights

Standard Series

WHY UPGRADE WITH EMIUM'S EXIT & EMERGENCY LIGHTS?

Designed and built for commercial use to facilitate a smooth, cost-effective transition into the cutting-edge performance and quality of LED lighting. Emium LED exit and emergency lights provide a clean and modern look with slim profile.

Fixtures are equipped for use in new construction, remodels, or for easily retrofitting older lighting technology.

This series' internal solid-state transfer switch automatically connects the internal battery to LED lamp heads for minimum 90-minute emergency illumination.

FEATURES

- Reduce energy consumption and operating costs by 80% or more.
- Meets UL924, NFPA 101 Life Safety Code, NEC, OSHA, Local and State Codes.
- UL Listed for damp locations (0°C – 50°C).
- Charge rate/power "ON" LED indicator light and push to test switch for mandated code compliance testing.
- Injection-molded, engineering grade, 5VA flame retardant, high-impact resistant, thermoplastic in white.
- 24 Hour recharge period.
- Estimated 50,000-hour LED Lifespan.

Recommended Use:

- Commercial buildings
- Hotels
- Offices
- Retail stores
- Plazas
