There is a Better Way

LED Linear Fixture

Integrated Series

WHY UPGRADE WITH EMIUM'S LED INTEGRATED LINEAR FIXTURES?

This compact and efficient LED fixture provides excellent lighting for processing, repair and service work areas requiring a high degree of visual clarity.

Ideal for commercial, industrial task, retail, repair, and maintenance shops. Additionally, these units work great in stock area applications.

The Linear Integrated Fixture is engineered to install very simply and make the transition from fluorescent lighting to LED technology very cost-effective.

FEATURES

- Reduces energy consumption and operating costs by 70% or more.
- Maintenance free operation - lasts up to 20 times longer than conventional lighting
- Estimated 50,000 hour LED lifespan.
- Engineered to perform reliably in unstable voltage conditions
- Linkable fixtures
- UL Type B integrated internal driver

Recommended Use:
- Parking Garages
- Factories
- Warehouses
- Retail Stores
