

There is a Better Way

LED Linear Fixture

Tri-Proof Series

WHY UPGRADE WITH EMIUM'S LED TRI-PROOF LIGHTS?

The newest series of our LED Tri-Proof Lights. The new dimming and power adjusting functions allow the fixture to adapt to changes in the environment and brings convenience to our customers.

Every light has two easy fixing connectors on both sides. Users can open the buckle end cap and fix the cable into the connectors quickly and easily.

Motion sensor included on 4ft tri-proof variation.

FEATURES

- Reduces energy consumption and operating costs by 80% or more.
- Maintenance free operation - lasts up to 20 times longer than conventional lighting
- IP65 Rating
- Estimated 50,000 hour LED lifespan.
- Quick & Easy Sensor Pluggable Intelligent Design
- Flicker Free

Recommended Use:

- Parking Garages
- Factories
- Warehouses
- Retail Stores
