

There is a Better Way

LED Round High Bay

Adjustable Series

WHY UPGRADE WITH EMIUM'S LED HIGH BAY LIGHTS?

They are designed to provide high-performance energy-saving LED illumination and exceptionally efficient heat-dissipation for many years of perfect lighting.

Photometric studies and analysis show that the performance of our 100W LED high bay meets the illumination from a 400W metal halide HID high bay; using less than 30% of the energy.

FEATURES

- Emergency Back up Battery Available
- Smart Control
- Power Adjustable
- High Lumen Efficiency
- Energy Saving Up To 80-85%
- IP65 Rated
- Estimated 50,000 hour LED lifespan
- Die Cast Aluminum Housing
- Anti-UV PC Optical Material

Recommended Use:

- Stadiums
- Factories
- Warehouses
- Airports
