

**SPECIALTY LIGHTING**

**AF Linear LED Aisle and Corridor Fixture**

**5 Year Full Product Warranty**

Emium AF LED luminaires are designed to light retail spaces and other commercial environments requiring seamless linear runs that incorporate 90 degree segments for directional changes. For lighting layouts that position luminaires in the middle of an aisle or other corridor type spaces, the Emium AF uses advanced optics to provide uniform vertical foot candles for maximum visual impact.

Emium carries a complete line of products to meet all types of commercial needs. Our products are engineered to install very simply and make the transition from HID or fluorescent lighting to LED technology very cost-effective.

**FEATURES**

- Easy to install, track aligned power connections
- Available in 4ft. and 8ft. lengths
- 120V, maximum single run - 1,600 watts
- 277V, maximum single run - 3,840 watts
- Available with LED "L" and Cross shape connector kit options
- 2 mounting options: suspended or surface
- 0-10V dimming
- 5 year warranty**
- 50,000 hrs. rated life**

**Available Lit Connector Options**

**Cross Shape**

**"L" Shape**
