There is a Better Way

LED Refrigerator Case Light

Standard Series

WHY UPGRADE WITH EMIUM'S LED REFRIGERATOR CASE LIGHT?

Emium's LED Refrigerator Case Light Features a high shock & vibration resistant body, with polycarbonate lens.

This eliminates the hazard of glass tube breakage or the additional expense of light robbing plastic tube guards - a major problem in the food industry.

Our products are engineered to install into existing infrastructure and fixtures, making the transition from traditional lighting sources simple and cost-effective.

FEATURES

- Reduces energy consumption and operating costs by 50% or more.
- Maintenance free operation - lasts up to 20 times longer than conventional lighting
- Estimated 50,000 hour LED lifespan.
- Anti-UV PC Optical Lens
- Environmentally friendly - fully recyclable
- No mercury or other hazardous material
- High efficiency constant current drive system (with heat protection) that can work under unstable voltage conditions

Recommended Use:
- Grocery Stores
- Retail Stores
- Gas Stations
