LED Stadium Light

Round Series

WHY UPGRADE WITH EMIUM'S LED STADIUM LIGHT?

The Emium Stadium Light delivers the ultimate visual clarity, control, and dependability required to provide the best player and fan experience.

This 500 watt LED fixture produces 65,000 Lumens and is designed to replace a 1500 watt Metal halide sports light

Made of High quality steel. The surface adopts galvanizing and high temperature resistance ensures longer LED life and safety. With spray coating technology, which can eventually prevent rust

FEATURES

- Reduces energy consumption and operating costs by 50% or more.
- Rotating Scale
- Estimated 50,000 hour LED lifespan.
- 5 Year Manufacturer's Warranty
- IP66 Rating
- High strength Cold forging aluminum housing makes this an industrial grade LED sport light
- Better heat maintenance, easier installation, convenient for maintenance and replacement.

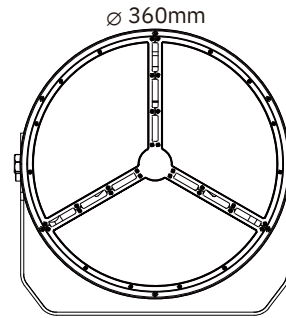

Recommended Use:

- Outdoor Sport Arenas
- Shipyards
- Flood Lights
