

### ◆ FEATURES

- Exceptionally bright 7,800, 13,000, or 19,500 lumen output
- Up to 80% energy savings compared to similar traditional light sources
- Available in 60W, 100W, 150W (100-300VAC)
- Includes 9.8' grounded cord and 120V plug
- Integrated carabiner type hook for quick and easy installation
- Metal guards provide safety and durability
- IP65 waterproof rating protects fixture in harsh outdoor applications
- 6,000V high voltage surge protection

## Temporary LED Work Light Fixture

The Emium temporary work light is a portable, bright and durable ceiling-mounted fixture that provides 360° lighting. Unlike permanent lighting, temporary lighting is installed on a job site for a limited amount of time. This robust fixture features a metal lamp guard, tough polycarbonate housing, and an IP65 protection rating, making it suitable for damp or wet locations. The product design employs the latest in high-efficiency LED lighting technology, excellent heat dissipation properties, and voltage surge protection to deliver long life and superior performance.

**50,000 hrs rated life**

**5 Year Warranty**

Daisy chain connect up to 7 units.
